

AQUILA GmbH

PILOT'S OPERATING HANDBOOK AQUILA AT01

LBA Approved in Normal Category based on JAR-VLA

This Publication must be carried in the aircraft at all times and be kept within the reach of the pilot during all flight operations. Handbook scope and revision level are provided in the log of effective pages and in the log of revisions.

This aircraft must be operated in compliance with procedures and operating limits stated herein.

SERIAL NO.: AQUILA AT01- 162

REGIST. NO.: DE - CUU

Pages labeled with „Accepted“ are accepted by:

Luftfahrt-Bundesamt (LBA):

A circular official stamp of the Luftfahrt-Bundesamt (LBA) with the number 13 in the center. Next to it is a handwritten signature in black ink.

Date: 30. Aug. 02

Doc. No.	FM-AT01-1010-100E
Issued	5/06/02
Issue No.	A.01

issued:
12.03.07

INTRODUCTION

With the AQUILA AT01 you acquired a very efficient training and utility aircraft, which can be operated very easily.

Reliable operation, handling and maintenance guarantee always troublefree flights and continued airworthiness.

For that, we recommend to read this Airplane Flight Manual thoroughly and carefully, and consider the given operating instructions and recommendations.

Furthermore, we recommend take part in a model briefing through factory trained personnel to obtain in a shorter period a "feeling" for the optimal operation of the aircraft.

NOTE

All limitations, procedures and performance data contained in this handbook are LBA-approved and mandatory. Not paying attention to the procedures and limits of the handbook can lead to a loss of liability by the manufacturer.

THE HANDBOOK

The Pilot's Operating Handbook has been prepared using the recommendations of JAR-VLA Appendix H (issue 26/4/90) "Specimen Flight Manual for a Very Light Aeroplane".

The handbook is presented in loose-leaf form for ease in inserting revisions and is sized in A5-format for convenient storage in the airplane. Tabbed dividers throughout the handbook allow quick reference to each section. Tables of Contents are located at the beginning of each section to aid locating specific data within that section.

LOG OF REVISIONS

All revisions of this handbook, except individual weight and balance data, should be entered in the log of revisions. Revisions must be accepted by the Luftfahrt Bundesamt.

Additions and revisions to the text in an existing section will be identified by a vertical black line adjacent to the applicable revised area. A new Issue No. appears in the footer of pages of the revised section.

This handbook cannot be used for operational purposes unless kept in a current status. Please refer to our web page www.aquila-aero.com whenever the revision status of your POH is in question.

Issue No.	Description of Revisions	Revised Section(s)	Aviation Authority's Acceptance Signature/Date

RECORD OF REVISIONS

As revision to the POH occurs, the appropriate sections should be removed and the pages of the revised section should be inserted.
Only entire sections will be replaced. Anytime incorporation of revised section(s) is accomplished, an entry must be made in the record of revisions shown below.

Issue No.	Revised Section	Date of Issue	Date inserted:	Inserted by:

Purchase of Technical Publications

To guarantee safe operation and correct maintenance of the aircraft AQUILA AT01, manufacturers technical publications must be kept in current status.

Technical publications concerning the aircraft AQUILA AT01 are available from manufacturers listed below:

(a) AQUILA AT01 related Manuals and Publications

AQUILA GmbH
Flugplatz
D-14959 SCHÖNHAGEN

Tel: +49 (0)33731 707-0
Fax: +49 (0)33731 707-11
E-Mail: info@aquila-aero.com
Internet: <http://www.aquila-aero.com>

(b) Engine ROTAX 912 S related Manuals and Publications

ROTAX® authorized distributor for ROTAX® Aircraft Engines of the applicable distribution area.

Please refer for Addresses to pages 14-1 through 14-3 of the ROTAX® Operator's Manual for 912 S Engines.

(c) Propeller MTV-21 related Manuals and Publications

mt-Propeller Entwicklung GmbH
Flugplatz Straubing- Wallmühle
D-94348 ATTING

Tel: +49 (0)9429 9409-0
Fax: +49 (0)9429 8432
Internet: www.mt-propeller.com
E-mail: sales@mt-propeller.com
